dedicated to LAUGHTER

Laughter is a joyous sound, freely given and happily taken. It can be neither bought nor sold, yet is the most precious of possessions. It comes in all forms, tones, and phrases, and repeats throughout life's happy moments. It is a blessing to warm the heaviest heart, and casts a spell over all it comes upon.

Laughter is a personal thing, yet it belongs to all of us.

It seems only appropriate, therefore, that we dedicate this book to the tones of joy that have echoed and will continue to echo through these halls long after we are gone, mingling with the sound of future generations, and into the ages.

STUDENT COUNCIL

The purpose of student government at Las Lomas is to efficiently represent the individual student, and give him a fair voice in this government. The Student Council, composed of the Student Body officers, the Presidents of Block LL, G.L.A., the Honor Society, and G.A.A.; and the four class presidents, represents the Student Body as a whole.

Student Council plans various school activities, represents Las Lomas at district and state-wide student government conferences, passes legislation necessary for student government functioning, and plans the budget for the school year.

Plans which have been put into effect by the 1959-1960 Student Council are the Recognition Plan, the Clean Campus Plan, and the Communications Plan. The Student Council has also organized this year's Junior-Senior Day, and revised the school Constitution.

MR. JOE ANTHONY, Advisor

STUDENT GOVERNMENT

The purpose of student government at Las Lomas is to efficiently represent the individual student, and give him a fair voice in this government. This is now done through the Council of Organizations, the House of Representatives, and Student Council. These groups have both legislative and administrative functions. Legislation may be brought up through the Council of Organizations and the House, or directly through Student Council. These groups are also responsible for administrative recognition of student problems. Student Government is constantly being changed and redirected so as to reach these aims.

JUNIOR PLAYS

Every year, the Junior classes at Las Lomas present a play, chosen, produced, and at times written by the students. This year thirteen English classes participated. The quality of the plays was high, and choosing a winner proved a very difficult task for the judges. As an outcome of this difficulty, four plays were chosen on an equal basis. Those four plays are shown on this page.

To all those who participated it was truly an experience, and a job well done.

"The Family Car," presented by Mrs. Ewing's first period class, features, left to right: Jan Varner, Bill O'Brian, Carol Brens, Chuck Lane has his back to the camera and Emile Lollemont is hidden. Directors: Pat Shackelford and Carol Winslow. A "typical" picture of family life, this was presented for the parents' club.

This unnamed comedy, a satire on commercials, was written and directed by Dennis Schmidling. Left to right: Mr. Melendez, Sue Kaisch, Gary Keane, Mike Green, Diane Carter, Roger Lindekin, Jill Rankin, Carole Southerland, Denny Schmidling. Seated: Tom Daniels, Betty Blakslee, and Bev Bovo.

"Conga," a serious story of troubled teen-agers, was presented by Mrs. Metzgar's seventh period class, and later at St. Mary's for the play competition there. Left to right: Sue Parsons, Dick Gotleib, Shiela Rogers, Kathy Menitsky, Bob Udahl, Francis Gallaher, Mike Coons, Mary Terry, Lloyd Mason, Anita Bledsoe.

"If Men Played Cards Like Women Do," a comedy whose name is self-explanatory, was presented by Mr. Barren's class. Standing, left to right: Jack Knecht, Mr. Barren, Terry Ore, Carol Briody, Ron Simpson, Phil Marsh. Seated: Clint Phalen, Danny Hemstalk, Floyd Wade, Duncan Matthey.

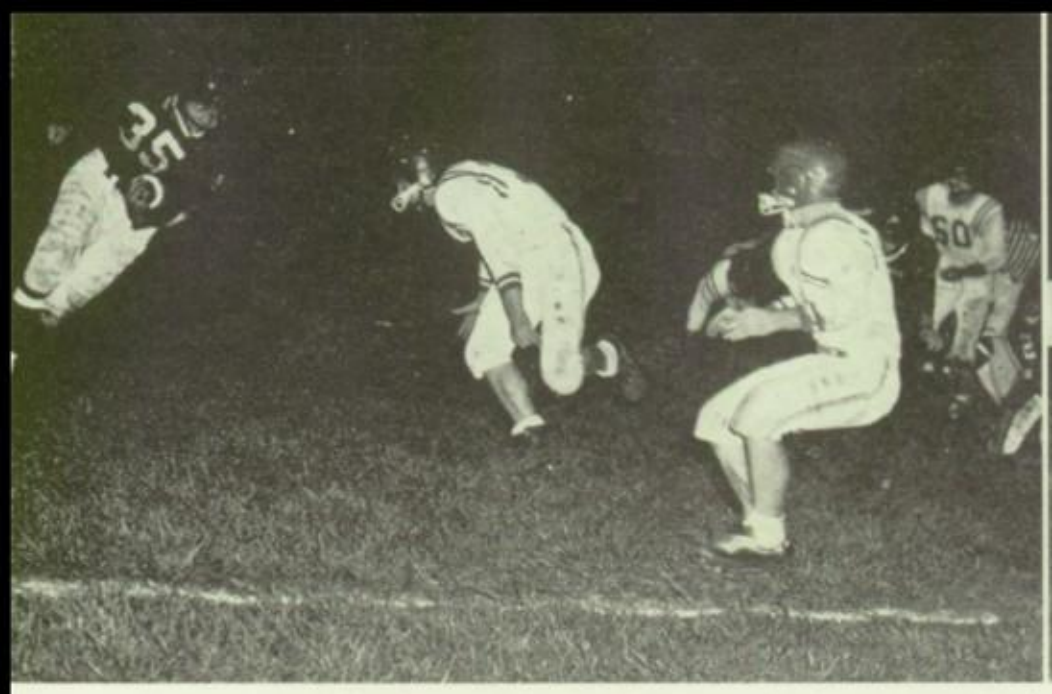
COACH GEORGE DeKLOTZ



Fullback Mike Hair rambles for good yardage against Acalanes.

A swarm of Alhambra gridmen close in on halfback Jim Murphy, while Phil Rutschow and Steve White look on.

This year the Las Lomas varsity had a very impressive season, as its 5-2-1 record placed it only one-half game behind champion Piedmont in the race for the Foothill Division crown. After dropping the season opener, 20-0, to Oakland High, the fired-up Knights rolled over the John Swett Indians, 33-0. In a hard-fought, defensive battle, the Knights, scoring the only tally early in the game, managed to defeat a strong Alhambra team, 7-0. Against highly favored Pleasant Hill, Las Lomas, although ending the game with a 6-6 deadlock, played, according to Head Coach Duane Louis, its best game of the year. The team piled up 15 first downs to the opponents' 2, while netting 250 yards to 50 by the Rams. In the league opener against Miramonte, the Las Lomas grid men ran wild, as they tallied a massive 47 points while holding the Matadors to no score. Against a fired-up San Ramon eleven, the Knights were able to eke out only a 6-0 win. The traditional battle with Acalanes found the Knights overpowering their opponents, as they downed the Dons 7-0. The final game was a heartbreaker for Las Lomas, for Piedmont came from behind in the third quarter to win the game, and also the championship, 19-7.

At the Football Banquet, held after the season's close, many Knights were honored with awards: Mike Hair, Most Valuable Player; Jim Sisler, Most Valuable Back; Harold Rogers, Most Valuable Lineman; Steve White, Coaches' Award; Rick Miles and Steve White, team captains.

The Knights should again be contending for the championship next year, as the many juniors on next year's varsity, and the excellent players coming up from the J.V.'s, should form a winning team.

Fullback Ken Bernhardt rushes to help as halfback Jim Sisler is brought down heavily by an Alhambra player.

The Las Lomas and Piedmont lines clash vigorously as halfback Jim Murphy struggles for yardage.

In 1959, the sensational Las Lomas Junior Varsity, coached by Mr. Marvin Martin and Mr. Forrest Russell, had their most successful season in the history of Las Lomas. It sustained the amazing winning streak posted by last year's team by downing eight successive opponents to capture the Foothill Division crown for the second consecutive season. The offense was sparked by a heavy, experienced line which cleared the way for the fleet-footed, hard-driving backfield. The aggressive Knight defense proved to be too strong for its opponents, as it shut out four teams while holding the others to low scores. Agile halfback Chris Nakano received the most outstanding player award, as he played a valuable and important part in both offense and defense. The Junior Knights were strong in both spirit and playing ability, and will make excellent material for next year's varsity.

WRESTLING

Wrestling, the newest of the sports at Las Lomas, had a very successful season in its second year. New coach, Edmundo Melendez, molded many returning lettermen and new talent into a strong team, which took third place in the league. After several close losses, the Knight grapplers proved their ability by trouncing a championship Acalanes team, 30-8. If the pattern of the last two years continues, next year the Knight team should be stronger than ever, a real threat to the Foothill Division championship.

This year the Las Lomas basketball team again proved itself a championship club, as its 18 and 4 season gave it the Foothill Division crown for the second consecutive year. The Knight five started the season cold, losing its first two games. From then on, however, the Knights were triumphant, losing only two of 20 games, in very close decisions.

The highlight of the year was the post-season Tracy Tournament. After rolling over Elk Grove, 75-50, the victory-bound Knights came through with a 55-39 win over the John Swett Indians. The climax came when, after trailing rough-and-tough Turlock for the first three quarters of the championship game, the inspired Knights fought to a 44-42 victory.

At the basketball banquet, the entire team received letters and gold basketballs, while trophies were given to outstanding players. Tom Nichols received the Most Valuable Player award, Bob Nichols was chosen as Most Improved Player, Eric Nankivell received the Coach's Award, and Bob Nye was named Team Captain.

Many congratulations are due to this fine team, and especially to Coach Merrill Callow, who has aided and guided the team to two consecutive championships.

Coach Louis's hustling varsity nine found it hard to get started in this year's spring practice campaign. The lack of experience proved to be a deciding factor, as only three lettermen, Bob Morris, Bob Samuels, and Eric Nankivell, returned.

At the date the El Caballero went to press the Knights posted a league record of one victory and one defeat. The victory came as Las Lomas overpowered the San Ramon Wolves 10 to 1. Highlights of the game were Bill Remy's brilliant three-hitter and a three-for-four hitting performance by shortstop Bob Morris. The defeat came as the club lost a heartbreaker to darkhorse Miramonte. even though outhitting the Matadors 7 to 3.

Vastly needed experience was rapidly being gained, and as the season progressed it looked as though the capture of the Foothill Division flag was a definite possibility.

BILL THEURIET
Three-time Contra Costa diving champion.

With most of last year's championship club returning, and many fine swimmers coming up from the B's, the Knight swimming team, coached by Mr. Ed Leach, looks to be the strongest in the league. The Las Lomas "finmen" came through with wins over Tamalpais, Oakland, Oakland Tech, and Livermore, while bowing only to San Leandro and Berkeley. In the Foothill Division Relays, the Knights won by an overwhelming score. It looks like another championship for Las Lomas.

GOLF

Golf has at last come into its own as a sport at Las Lomas, having its largest turnout in the history of the school. At the time this book went to press, the Knight divot-diggers posted the fantastic record of two wins and one tie, giving them the distinction of being the only undefeated spring sport. Las Lomas golf pro, George DeKlotz, predicted a most successful season, saying that golf, along with football and basketball, would soon take over as one of the three major school sports.

The 1960 track team has become a team to be reckoned with in the Foothill Division. With only six lettermen returning, it has taken extra drive and determination to finally become a league power. Jack La Salle and Forrest Russell have built the team into a real threat, and next year may be the year that another D.V.A.L. championship will be added.

CROSS-COUNTRY

While few in number, the Las Lomas cross-country team, coached by Mr. Merrill Callow, was strong in spirit. Due to a lack of sufficient varsity runners, the Knights were unable to qualify for victory in any meets, but those who did compete put forth their best effort. Coach Callow is looking forward to a larger turnout next year, in hopes that cross-country will become a major sport at Las Lomas.
